DOORDARSHAN NEWS, NEW DELHI

DDN-5 (458)/2018-19-G

Dated: 19/02/2019

Subject: - Tender for the data collection and processing agency for providing the election data to Doordarshan News on the counting day of the Lok Sabha Elections and Assembly elections 2019.

Doordarshan News invites tenders (on two bids system) from Agencies for data collection and processing of live data and making it available to Doordarshan News in required format in connection with counting of votes of the Lok Sabha Elections 2019 and Assembly elections. The Technical and Financial bids must be submitted electronically on the tender wizard website (www.tenderwizard.com/PB). The bids are to be filled electronically and the processing fee of Rs 500/- and EMD of Rs 1,62,500/-- in form of Demand Draft favoring DDO, DD News , to be deposited physically with the Sr.Administrative Officer, before submitting the bids electronically (technical and commercial bid). THE TENDER DOCUMENT IS AVAILABLE ON <http://www.tenderwizard.com/PB>

I. SCOPE OF WORK:

1. The applicant, if selected, will do the following work:-
 - i) Representatives of the agency will be required at each of the counting center of constituencies going to polls. The exact number of counting centers for the constituencies is decided by the Election Commission.
 - ii) Agency will put 4 agents/representatives per counting center (2 inside the counting and 2 outside the counting center) for data collection.
 - iii) The output provided by the agency must be in a format (eg. Relational Database, XML etc) as desired by Doordarshan News.
 - iv) (a) The agency must have its server placed in Doordarshan News along with an additional backup server.
(b) The agency must provide data to all RNU's through cloud network.
 - v) The agency must share the output being provided to Doordarshan News with AIR, and Regional News Units of RNU's on cloud network. (List of RNUs enclosed).
 - vi) The agency must provide a summary of the data being provided online on a web platform for revalidation purpose which can be shared with all stakeholders in Prasar Bharati.
 - vii) The onus of running the systems smoothly will be the responsibility of the agency. Agency must ensure that all hardware/software and network connectivity required for data connectivity are crash-proof.
 - viii) The Agency must have a dedicated team who have experience in election data collection and coordinating/operating live data flows to look after the project and must be present onsite at all times including the counting day.
 - ix) The agency will plan for data collection, data processing, data transmission and its availability for Doordarshan News for programming in consultation with Doordarshan News, and ensure that the work-flow runs smoothly, to the satisfaction of Doordarshan News.

- x) Agency must ensure that all hardware/software and network connectivity required for data connectivity are crash-proof. The data collection agency will also be required to create a web-page for the social media viewers of DD News website.
- xi) The agency will have to deploy at least 5 agents at DD News Headquarters on the counting day. On the counting day the agency must report to the incharge of election at DD News at 6 AM sharp. The agency should provide with a list bio data all the agents deputed across the counting centres with their mobile numbers at least 15 days before the counting center.
- xii) The agency will also have to provide data related to Assembly Elections, wherever being held along with the Lok Sabha Elections 2019.
- xiii) The agency will be required to prepare a workflow related to DD News and all RNUs of how data will be collected from counting centers integrated with the graphics and and relayed to DD News RNUs.

Work Definition & Compliance Statement

(To be signed by the bidding Agency)

We have read all the terms and conditions of the tender document issued by Doordarshan News for collection, processing and transmission of data to Doordarshan News on the counting day of the Lok Sabha elections and Assembly elections to be held during Feb & March, 2019.

To achieve the desired results to the satisfaction of Doordarshan News, we undertake to comply with the following:

Work Plan

1. Ten days before the counting day

- 1.1 We shall submit a list of field agents to Doordarshan for applying for counting center passes. We will also do the follow up for getting the passes issued, and ensure that the field agents receive these passes.
- 1.2 The field agents who are deputed for collection of data shall carry cell phones.
- 1.3 Our technical team will then work with Doordarshan News team to integrate election databases.
- 1.4 Our Project Manager will have regular meetings with the Doordarshan News in New Delhi to review the preparations and monitor operations.

2. Ten days before counting day

Our Project Manager/ Regional Head will have regular meeting with Doordarshan graphics and technical team in New Delhi to review the preparations and monitor operations.

3. Two days before counting

We undertake that our agents coming from outstation shall reach the District capital by 4.00 pm two days prior to the counting.

A list of agents reached and reported shall be provided to Doordarshan on the same evening.

4. On the counting Day

- a. Our field agents will report to their places of data collection by 7:00 a.m. They will collect and transmit results in a manner worked out together with Doordarshan News coordinators.
- b. Our Project Manager/ Regional Head shall be at the control center of Doordarshan News with adequate staff to meet any emergent requirements. He/she will cross

check the accuracy of the data by confirming some of the results over phone, monitoring other channels and checking Doordarshan News data inputs, and handle any emergency. **At least 5 agents should be placed in News Room on the day of counting at Headquarters to cross tally the results.**

5. Previous Experience

We affirm that our personnel involved in planning and coordinating the project have the minimum relevant experience of handling two previous national/state level elections' trends/results for a national level channel.

6. Regular Office

We also affirm that we have an established office in Delhi / NCR with the entire basic infrastructure to undertake the task. Our office is located at the following address and the details of Project Manager/ Regional Head are as follows:

Delhi/ NCR office address:

Details and contact number of the Project Manager/ Regional Head:

7. Penalty Clause

We understand that we will be subject to penalty and forfeiture of EMD in case we fail to execute the work to the satisfaction of Doordarshan News, as given below:

If the Agent for Data Collection does not report for the data collection at that counting centre at least a day in advance then the payment for the particular agent will be deducted out of the payment being made to the agency.

If at any stage due to the late delivery of the SMS / data the channel is lagging behind other sources of information, or if any wrong data is supplied to Doordarshan News a penalty equivalent to 25% of the invoice amount will be deducted.

In case of poor quality of work Doordarshan News will also be free to encash bank guarantee/ FD in addition to recovery as stated above. Doordarshan News reserves the right to determine additional penalties depending on the gravity of the failure.

We again affirm that we have read all the terms and conditions of the tender document issued by Doordarshan News for collection, processing and transmission of data to Doordarshan News on the counting day of the Lok Sabha Elections 2019 to be held during Feb & March, 2019 and we undertake to abide by them.
