Prasar Bharati prepares the following statements as part of its annual audited accounts –

- **Receipts and Payments Account** – All the receipts received and payments made by Prasar Bharati during the FY 2017-18 are reported in this account.
- **Income and Expenditure Account** – Basis the receipts and payments account made, Prasar Bharati prepares the Income and Expenditure Account.

In case of commercial receipts, income is booked by adjusting the receipts with opening and closing debtors, while for all other types of revenue sources, the income is considered to be equivalent to the receipts as per Receipts & Payments Account.

However, GSTR 1 on the other hand is prepared basis the invoicing done in a particular year by Prasar Bharati.

Hence, to reconcile the GSTR 1 and the revenue as per the books of accounts and thereby finalize the Turnover for reporting in GSTR 9C, we have divided our approach into two parts as detailed in the upcoming section.

## 2. Approach:

### Part A: Calculation of adjusted turnover of outward supplies as per GSTR 1

Steps	Activities
Download of data	<ol style="list-style-type: none"> <li>1. Collected details and OTPs for 69 Prasar Bharati's GSTINS from the respective location teams for activating session on Bolton Tool.</li> <li>2. Downloaded all the GSTR 1s for AIR and OO through Bolton Tool.</li> </ol>
Consolidation	<ol style="list-style-type: none"> <li>1. Post downloading the GSTR 1s, consolidated the category wise data i.e. B2B, B2C, Advances received, advances adjusted, etc. for all registrations for AIR and OO.</li> <li>2. Certified the invoices pertaining to FY 2017-18, amended through B2Ja, B2CSa, B2CLa, etc. in GSTR 1 either in FY 2017-18 or in FY 2018-19.</li> </ol>

8

	<p>3. For amended invoices, values as appearing in the amendment tab were considered instead of the original values for such invoices.</p> <p>4. Correspondingly, the same exercise i.e. Consolidation and adjusting the amendments, is done for Credit notes and debit notes pertaining to FY 2017-18.</p> <p><b>Adjustments in outward supplies reported in GSTR-1 for the period July 2017 to March 2018 to arrive at the Income reported in I&amp;E account</b></p> <p>1. A consolidated file was prepared taking into consideration the above figure for turnover as reported in GSTR 1 (after netting off credit notes and debit notes).</p> <p>2. Stock transfers / Intra- firm services within Prasar Bharati is identified separately (from the same supplier and recipient PAN numbers in B2B Tab) and reduced from the total turnover as per GSTR 1.</p> <p>3. The invoices pertaining to July 2017 to March 2018, which are reported in the returns for FY 2018-19, are added in the turnover of GSTR 1 of 2017-18.</p> <p>4. For AIR, we have adjusted the invoices raised during July 2017 to March 2018 for which advances are received prior to 1 July 2017 and service tax was paid. Such advances were adjusted only for the few locations that shared the said data. Further, it has been confirmed to us that these invoices are not part of GSTR15 as GST is not payable</p> <p>5. For DD, It was communicated to us that no advances are outstanding as on 30.06.2017.</p> <p>6. A consolidated figure for turnover as per GSTR 1 is calculated – cumulatively for all GSTINs as part A for this reconciliation. Such turnover is inclusive of GST amount.</p>

**Part B: Adjustment in turnover reported in Income and Expenditure account for FY 2017-18**

- As provided in the Income and Expenditure account, the 'current billing' for Commercial Receipts is derived and reported as -  
Receipts during the year + Closing Debtors - Opening Debtors = Current Billing.  
Such Current billing is inclusive of GST amount.

Ex

2. Other receipt heads such as – Rent, sale of assets, Professional fees, DTH charges, etc. are considered as reported in the income & expenditure account of Prasar Bharati. Such figures are informed to be inclusive of taxes. It was informed that invoicing for such revenue streams is equivalent to their respective receipts.
  
3. Following deductions and additions are made in Income and Expenditure account to derive the turnover on which GST is applicable

Total Income as per Income & Expenditure Account	A	46,14,54,97,789
<b>Deductions (GST not applicable as per Prasar Bharati)</b>		
Grants /subsidies		28,50,75,40,000
Interest Earned		91,53,68,753
Refund of IUS		20,99,81,003
License Fee from quarters		3,55,90,168
<b>Total</b>	<b>B</b>	<b>29,66,84,88,924</b>
<b>Additions (GST applicable as per Prasar Bharati)</b>

<b>Total</b>	<b>C</b>	<b>14,93,62,202</b>
<b>Net Income</b>	<b>D (A-B+C)</b>	<b>16,62,63,71,067</b>

4. Further, the turnover for the period April 2017 to June 2017 is deducted from Turnover for FY 2017-18, basis the figures provided in Service Tax/ VAT returns and MIS Reports;

Adjusted net income for AIR & Doordarshan			
Particulars	AIR	Doordarshan	Total
Income for the FY 2017-18 (Incl. of Taxes)	6,55,58,08,543	10,07,05,62,384	16,62,63,70,927*
Turnover as per Service tax and VAT return (Incl. of taxes)/ MIS reports, as provided, for April 2017 to June 2017	1,25,21,93,026	2,74,49,81,749	3,99,71,74,775
<b>Adjusted turnover as per Part B</b>	<b>5,30,36,15,517</b>	<b>7,32,55,80,635</b>	<b>12,62,91,96,152</b>

\*INR 249 is unallocated between AIR and DD as per the Receipts & Payments account

Difference between Part A i.e. adjusted turnover of outward supplies as per GSTR-1 and Part B i.e. adjusted turnover in Income & Expenditure account is calculated separately for AIR and DD. Currently the figures

<sup>a</sup>Unreported turnover as identified by PB is more than difference between the Revenue as per books and the GST Returns, by INR 15 lakhs. However, GST needs to be paid on the entire identified unreported turnover.

<sup>\*\*</sup>Time period for Interest calculation has been taken as 4.5 months for 2017-18, 12 months of 2018-19 and 9 months of 2019-20 i.e. from 1st April 2019 to 31st December 2019. Detailed working of the interest is attached as Annexure 5.

\*Detailed working of the RCM Liability GSTN wise is attached as Annexure 4. Note that RCM is being paid on advocate fees and purchases from Unregistered vendors upto 13<sup>th</sup> October 2017. While ITC can be availed on RCM payable on advocate fees, we need to further look into the bifurcation of RCM payable on purchases from unregistered vendors to ascertain the ITC eligibility on the same.

#### Part C: Distribution of Unreconciled Turnover

- The consolidated unreported turnover for AIR and DD separately is distributed amongst their respective GSTINs.

2. Value of unreported turnover which has been identified by Prasar Bharati has been removed from the total unreported turnover and only the balance has been distributed.
3. Such distribution is done proportionately amongst the various GSTINs basis their GSTIN turnover as determined above in Part A.
4. This GSTIN wise difference would be reported in GSTR 9C as unreconciled turnover.

Details of unreconciled turnover distributed, for considering in GSTR 9C and thereafter making the payment, amongst various GSTINs is below:

3. Notes:

1. We have relied on the turnover figures as per the signed Income and Expenditure Account of Prasar Bharati and its base workings.

Rf

2. Prasar Bharti (both AIR and DD) has not been able to share data GSTR 1 for Jammu & Kashmir from the GSTN Portal. Therefore, in lieu of the GSTN data, Prasar Bharti has provided the Revenue MIS Reports (DDO-wise) to be considered as turnover as per GSTR 1. Based on the DDO's I.M provided to us that pertained to Jammu & Kashmir, we have picked up revenue figures from such reports.
3. Advances received (on which Service tax was paid) during the period prior to July 2017 and invoicing for which was done under GST regime i.e. post 1st July 2017 need to be adjusted (addition) in turnover of GSTR1 as no GST was applicable, following is the status of the same:
  - a. We have been given to understand that in case of Doordarshan, there were no such advances as on 30.06.2017
  - b. For AIR, only a few locations (enlisted below) have shared such data. Accordingly, we have incorporated the same in our workings for adjustments (addition) in turnover as per GSTR1

\*We have received the data for advances for the following DDOs-

  - CBS Bhopal
  - CBS Chandigarh
  - CBS Chennai
  - CBS Cuttack
  - CRS Hyderabad
  - CRS Jaipur
  - CBS Kanpur
  - CBS Thiruvananthapuram
  - CSU Mumbai
4. Prasar Bharti has identified unreported turnover amounting to INR 22.5 million in AIR and INR 11.3 million in DD on which GST was not paid. We have included the above numbers in our calculations in the respective states.
5. Credit notes issued, if any, under GST regime in respect of invoices raised in pre GST regime had not been given effect while preparing the reconciliation, as information of the same was not available.
6. Prasar Bharti receives advances for work done by CCW units from third parties and from distinct persons. No GST is paid on such advances since inception of GST. We have not considered any additional GST payment or interest on such amount since this does not pertain to Revenue Reconciliation. However, in our view, GST along with applicable interest should be paid on these advances.
7. We have not reviewed the tax positions adopted by Prasar Bharti and have relied upon the discussions held/ tax positions communicated by Prasar Bharti.
8. We have not reviewed and verified the GST Tax rates applied by Prasar Bharti. It is assumed that any unreconciled turnover has been under 18% bracket for calculation purposes.
9. Section 35 of the CGST Act, 2017 provides that every registered person shall keep and maintain, at his principal place of business, as mentioned in the certificate of registration, a true and correct account of—

- a) Production or manufacture of goods;
- b) Inward and outward supply of goods or services or both;
- c) Stock of goods;
- d) Input tax credit availed;
- e) Output tax payable and paid; and
- f) Such other particulars as may be prescribed.

In addition, the rules also provide that the registered person shall keep and maintain records of -

- a) Goods or services imported or exported; or
- b) Supplies attracting payment of tax on reverse charge;

Along with relevant documents, including invoices, bills of supply, delivery challans, credit notes, debit notes, receipt vouchers, payment vouchers, refund vouchers and e-way bills.

Therefore, no separate records such as Balance Sheet, Receipts and Payments Account, Income & Expenditure and Trial Balance need to be maintained at GSTIN level, except the ones specifically mentioned above.

The reconciliation between the GSTR 1 vis-à-vis the audited Income and Expenditure account is done best to our knowledge and data availability.

#### **4. Documents relied upon for our comments:**

For providing our analysis as above, we have relied upon the data (including GSTR 1, Income & Expenditure Account and other MIS reports ) as provided by Prasar Bharati. We have also taken into account our various discussions held at Prasar Bharati's office and over call with various stakeholders in Prasar Bharati.

#### **5. Conclusion :**

Since the turnover as per audited Income and Expenditure account is more than the turnover as reported in the GSTR 1, GST payment along with interest to that extent have to be made through DRC 03.

#### **6. Enclosed :**

##### Annexure 1:

- a) Summary Reconciliation between GSTR 1 and turnover as per audited Income and Expenditure account for Doordarshan and AIR.
- b) Detailed back up working of the same has been shared in soft form.
- c) Calculation of GST and interest payable by each GSTIN State

Annexure 2: Step-wise description of procedure to be followed to pay additional GST liability (as identified) through TFORM DRC 03.

Annexure 3: Financial Statements of Fraser Bharati for the FY 2017 / 18.

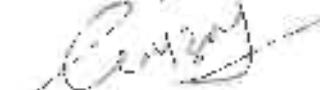

Annexure 4: Details of RGIA Payable GSTwise, along with interest.

Annexure 5: Detailed working of interest to be paid.

In case you require any clarifications, please let us know.

Yours faithfully,

For Deloitte Haskins & Sells LLP

Statement of Affairs  
EXHIBIT A - CONCERNING STATEMENT OF THE BALANCE SHEET FOR THE YEAR ENDED 31.03.2011

**SECTION 6 (1) - NOTES ON ACCOUNTS & CONCERNING CONCERNING CURRENT ASSETS  
NOTES ON ACCOUNTS**

1. Press Trust of India (PTI) is established as general utility institution and fall under the category of "Not-for-Profit Organisation". Accordingly, based on Generally accepted accounting practices, and Section 135 of Transfer Tax Act, it can follow either cash or accrual basis system of accounting. Considering the organisational structure and payment pattern of payments and the simplicity aspects, cash basis of accounting was being adopted upto 31.03.2005. From 01.04.2005 the accounts are initially compiled on cash basis at field unit level and subsequently converted into accrual basis to the extent possible, based on the information collected from both the Divisions. Press Bharati Board however, decided to give effect to complete switch over from cash to accrual accounting at field unit level. To overcome this problem, Press Bharati has developed a software called Expenditure Monitoring System (EMS). RSP Ayu from all the DCUs are now being received through this software w.e.f. 01.04.16.

**1. Outstanding Liabilities:**

	Rs. '000
2.1. Claims against the Entity not acknowledged as debts	—
2.2. In respect of :	—
Service Tax	Rs. 14.29 crore
Late fee and interest on Spectrum & Space Segment Charges	Rs. 61.00 crore
*Bank Guarantee encashed for ONGC-2010 Activity	Rs. 24.60 crore

Bank Guarantee of Rs. 24.60 crore of M/s SIS Live was invoked and the matter is under arbitration. M/s SIS live substantiated their claims for Rs. 106.88 crore as per contract, Rs. 21.60 crore towards PC and for damages GBP 9301,050. Out of that, an amount of Rs. 106.88 crore has been included in the liabilities. However, Payments claimed by M/s SIS Live are not acknowledged as liability as the Corporation has also issued a counter claim of Rs. 147.60 crore.

3. The amount of Fixed Assets transferred at book value to Press Bharati by the Central Government is based on Chief Controller of Accounts' letter No. CCA/PB/2002 dated 3.09.07 and is also subject to physical verification and valuation.

4. The value of the assets sold/disposed of during the year has not been deducted from the Gross Block of Assets due to non-availability of details.

5. Grants received from Central Government are treated as Income, which together with Internal revenue is utilized to meet expenses.

6. Without prejudice to rights, Press Bharati had paid an amount of Rs.178,71,63,705/- to Service Tax Dept. during the year 2011-12, in response to their demand via order No.16/RBN/2011 dt. 05.05.2011. However, as per Management assessment no amount was payable. In the Order dated 05.03.2010, CGSTAI has completely waived off the penalty and instructed Service Tax Department to reassess the service tax liability for that year. Since the Service tax department has not yet reassessed the service tax liability and the whole amount was already claimed off in 2011-12, hence the same will be again reflected in the Accounts after the final outcome of the case.

7. Interest rate on Capital Loan availed from Government during 01.04.2000 to 31.03.2005 is 14.5% p.a., during 1.4.2006 to 31.03.2011 is 11.5% p.a. and from 1.4.2011 onwards is 13.5% p.a.

8. Liability towards interest on loan from MCB have been provided as per the interest rates mentioned at note -7 above.

9. Ministry of J&K Vigil letter dt. 09.06.2010 has considered and in principle approved the conversion of outstanding loan into Grants-in-Aid pertaining to the period 2010-11 to 2012-13 and complete waiver of interest and penal interest on the above outstanding loan.

10. The age-wise break-up of Sundry debtors for the financial year 2011-12 is as under:

Sundry Debtors Less than 6 months	Rs. 404,228,972
