GST Circular No.11

No.PB-7(14)(1)/2018-Fin/GST

Dated: 28 .09.2018

Sub: Applicability of GST TDS w.e.f. 01.10.2018 - reg.

Ref: 1.Central Tax Notification no.50/2018 dated 13.09.2018

2.This office letter no. PB-7(14)(1)/2016-Fin/GST/1435-1448 dated 15.11.2017 regarding 'Decentralisation of GST related work at State/ UT level'.

The Government of India vide Notification under reference no.1 (copy enclosed) has made GST TDS applicable w.e.f. 01.10.2018.

In this regard, it is stated that as per Section 51(1)(d) of Central Goods and Services Tax Act, 2017, Prasar Bharati being a body set up by an Act of Parliament with more than fifty one percent participation by way of equity or control, is liable to deduct tax at the rate of one percent from the payment made or credited to the supplier of taxable goods or services or both, where the total value of such supply (excluding GST and GST Cess), when a contract value is exceeding Rs. 2,50,000 (Two lakhs and fifty thousand rupees).

However, no tax is required to be deducted if the location of the supplier and the place of supply is in a State or Union Territory which is different from the State or as the case may be, Union territory of registration of the recipient. For e.g. Divya is working in Indian oil in Delhi HQ. She has been sent to Haryana for training of Haryana Govt employees. Indian oil entered into a contract with Haryana Govt for providing hotel accommodation and travel expenses for 3 Lakh for 3 months. So in this case location of supplier and the place of supply (i.e Haryana) is different from the state in which Indian oil is registered (i.e. Delhi), hence TDS will not be deducted.

Similar provisions also exist in SGST Acts also. Therefore, in case of supply of goods or services or both under a contract, where total value of a contract (excluding GST and GST Cess) exceeds two lakh fifty thousand rupees, every DDO is

required to deduct 2% GST TDS (i.e. 1% under CGST plus 1% under SGST/UTGST or 2% under IGST, as the case may be) from the payment or credit by way of adjustment made to the supplier against such supply of goods or services or both.

It shall be noted that the limit of Rs.2.50 lakh shall be calculated for each contract separately even though the supplier of goods or services or both is same. The GST TDS is to be deducted irrespective of the status of GST registration of the Supplier (i.e. registered under GST or not).

Registration for deducting tax under GST as a 'Tax Deductor':

For deduction of GST TDS, separate registrations are required to be taken. In this regard, the Standing Committee for GST compliance in Prasar Bharati has decided to take two TDS registrations for each State/ UTs (i.e. one for Doordarshan and one for All India Radio) as in case of GST registration. The Finance wing in consultation with Commercial wing of both the Directorates may nominate one Nodal DDO unit in each State/ UT preferably at the location of GST State Nodal Officer who will be responsible for GST TDS compliance of that State/ UT.

Keeping in view of paucity of time, the existing State Nodal Officer for GST should immediately take steps for registering under GST TDS. Initially, SNOs may take the registrations with their own details which may be later on modified with the details of Nodal DDOs nominated by the concerned Directorates. The application for registration has to be made online in Form GST REG-07. The process of registration with screenshots is given in **Annexure-1** for ready reference.

After completing GST TDS registration process, a registration certificate in Form GST REG-06 stating 15 digit GSTIN to be used for GST TDS will be granted by the GST Authorities.

Procedure for deduction of GST TDS:

The process of deduction of GST TDS is as follows:

1. Each DDO while making payment to the supplier will deduct the GST TDS, if applicable, from the amount payable to the supplier.

For ex. DDK Delhi has received the inward supply of Rs.5,00,000 (excluding GST) from a GST registered person of Delhi then while making payment DDK Delhi is required to deduct TDS @ 2% on Rs.5,00,000/- which comes Rs.10,000 (i.e. CGST @1% - Rs.5,000 and SGST @1% - Rs.5,000). In case of inter-state supply, DDK Delhi will deduct IGST @2% on taxable value.

2. In the cases where DDO is liable to deduct GST TDS, he may ensure making payment to the suppliers by 25th of the month so that adequate time for generation of challan, its payment and filing of return and other GST TDS

compliance can be ensured. In case DDO has to make payment to the supplier after 25th of the month then he may do so only after consent of Nodal DDO.

- 3. After making payment to the supplier, each DDO deducting TDS is required to send the details of the payment made in format given in Annexure-2 through e-mail to the concerned Nodal DDO for generation of challan.**
- 4. The concerned Nodal DDO will verify the details sent by the DDO and and if the information given by DDO found to be incorrect/ incomplete (i.e. wrong GSTIN, supplier name, amount of TDS, etc.) it will be sent back to DDO for correction. Thereafter, generate the challan for TDS liability against payment made by that particular DDO and send the soft copy of the same to the concerned DDO for discharging GST TDS liability at his end.**
- 5. The DDO of the unit will make the payment against challan and send the soft copy of the same to the Nodal DDO.**
6. The Nodal DDO may verify the details of payment made through challan by the DDO in his Electronic Cash Ledger.
7. The Nodal DDO will compile the details received from each DDO under his registration and submit the return in GSTR 07 on GST portal.
8. While decentralising the work of GST from November 2017 vide this office letter under reference no.2, this office has broadly prescribed the scope of GST consultant which also include the work relating to filing of GST TDS returns as mandated under GST Acts [please refer para 5(vi)(e) of the letter under reference no.2]. The Nodal DDO may explore the possibility of taking the assistance of GST consultant in filing GST TDS returns and generation of TDS certificates to be issued to the suppliers.
9. The Nodal DDO should furnish to the deductee a certificate mentioning therein the contract value, rate of deduction, amount deducted, amount paid to the Government, etc.
10. It may be noted that payment of GST TDS and its return should be filed within 10 days after the end of the month and TDS certificates in Form GSTR-7A must be issued and furnished to the deductee within 5 days of crediting the amount to the Government. The TDS certificates shall be made available electronically to the deductee on the common portal in Form GSTR-7A on the basis of the return furnished under GSTR-7.

11. **Timeline to be adhered to:** For proper GST TDS compliance the following timeline may be followed:

Sl. No.	Activity and flow of data	Timeline
1.	For DDOs: For sending the information to Nodal DDO after preparation of details of payments made to various suppliers upto 25 th of the month.	By 28 th of the month.
2.	For Nodal DDOs: For sending the challans to the concerned DDOs through e-mail after verification of data sent by DDOs and generation of challans in respect of GST TDS liability pertaining to the concerned DDOs.	By last day of the month.
3.	For DDOs: for sending the copy of paid challan after making payment against the challan to Nodal DDO through e-mail.	3 rd of the following month
4.	For Nodal DDOs: Filing of GST TDS retrun on common portal of GST in GSTR-7	By 10 th of the following month
5.	For Nodal DDOs: Generation of TDS certificates and sending the copies of TDS certificates to the concerned DDOs through e-mails.	Within 3 days from the date of filing of GST TDS return.
6.	For DDOs: Confirmation from the supplier regarding receipt of TDS certificate(s) and intimation to his Nodal DDO for discrepancies, if any.	Within one day from the receipt of the e-mail from his Nodal DDO regarding generation of TDS certificate(s).
7.	For Nodal DDOs: Corrective action in case of discrepancies reported by the DDOs.	Within one day from reporting of discrepancy but in no case it should be more than 5 days from the date of filing GST TDS return.

Payment made in a centralised manner against the procurement of goods and services:

In Prasar Bharati, there are some procurements against which payments are made centrally at one location for goods and/ or services delivered in various States/ UTs, such as payments made by PAOs against the purchases made by Zonal Offices & Directorates, Payments made by CCWs for the work done on behalf of units of Prasar Bharati situated in the States/ UTs where its office is situated, etc. In such cases, these PAOs, CCWs and other units which are making payment centrally will deduct the GST TDS, if applicable, and send the details of same to the concerned Nodal DDO for generating challan and other activities as explained above.

Reconciliation of GST TDS data with GST returns:

It is necessary to reconcile the information received sent by various DDOs to Nodal DDOs for GST TDS and information sent by various DDOs to SNO for GST compliances. For this purpose, the Nodal DDOs should send the information received from the DDOs under his registration to the concerned SNO so that he may reconcile these details. The Nodal DDO and SNO should interact on regular basis for reconciliation of the same.

GST TDS Deducted by others:

Since Prasar Bharati is procuring business from Government Departments, Govt. Agencies, PSUs, Autonomous bodies set up by an Act of Parliament, local authorities, etc, which are also required to deduct TDS on goods and/ or services procured from GST registered persons, hence, these Govt. Departments and other Govt. bodies will also deduct GST TDS on services availed from Prasar Bharati.

In view of the same, the Commercial units of both the directorates, CCW units and other units which are supplying any goods and/ or providing services to the Govt. Departments, PSUs, or any other govt. bodies which require to deduct GST TDS shall furnish the details of GST TDS deducted by these Govt. clients to the State Nodal Officers (SNOs) in the format prescribed in **Annexure-3** on monthly basis without fail.

The GST TDS deducted by others will be reflected under Part C of GSTR 2A and GSTR-4A after the due date of filing GSTR-7. The State Nodal Officers should verify the details sent by the various DDOs including commercial units and CCW units with Part C of GSTR 2A. In case of any discrepancy noticed in both sets of information, the State Nodal Officers should interact actively with the concerned units for necessary rectification to be done by the concerned units. Prasar Bharati is eligible to take credit against such GST TDS reflected in Part C of GSTR-2A and therefore each SNO should take ITC against the same.

Other General points:

1. The details of tax deducted at source furnished by the deductor in GSTR-7 shall be made available to each of the suppliers in Part C of GSTR-2A electronically through the Common Portal and the said supplier may claim the Input Tax Credit (ITC) against the GST TDS.
2. The deductee may take this amount as credit in his electronic cash register and may use the same for payment of tax or any other liability.
3. GST TDS Certificate(s) shall be made available to the deductee electronically on common portal in Form GSTR-7A.

4. The refund to the deductor or the deductee arising on account of excess or erroneous deduction shall be dealt with in accordance with the provisions of section 54 of the CGST Act, 2017. However, no refund to the deductor shall be granted, if the amount deducted has been credited to the electronic cash ledger of the deductee. In other words, in case the GST TDS certificate(s) has been issued to the supplier and the amount is credited to his electronic cash ledger then no refund will be allowed to Prasar Bharati. In such cases, the deductee i.e. the supplier to whom payment is released can claim the refund or utilise the credit against his GST liability.
5. In case there is no information of GST TDS deducted by unit or deducted by others, each DDO should send NIL report to his SNO/ his Nodal DDO as the case may be.
6. Registered nodal DDOs will be required to file nil GST TDS returns of their respective states in case no TDS is deducted in a particular month.

Both the Directorates are requested to circulate this circular to all the field units under their control and ensure that the instructions are followed scrupulously. A copy of this circular is also being uploaded on the website of Prasar Bharati.

This issues with the approval of Member (Finance), Prasar Bharati.
